- Indicate number of shears and bends
  - Shearing flat sheet (Shears) = 1
  - Break (Bends)= 1 per
  - Hem (Hooks) = 2 per
- Show all dimensions
- Show all degrees of inside angles
- Specify roof pitch
- Specify painted side
- Specify open or closed hem for each hem
- Salem & Spokane: ⅜" Hem
- Sacramento & Tacoma: ½" Hem

** An Open Hem (OH) creates a "U" shape with a visible gap, while a Closed Hem (CH) folds the edge completely over, creating a flush, smooth edge.*
