Pattern Detail

CREATE STRIKING DESIGNS WITH TIMELESS PRINTS

Whether your design is contemporary or traditional, our Classic Brushed prints offer a timeless aesthetic ideal for exterior or interior applications. With three elegant prints to choose from, our Classic Brushed prints can be mixed and matched to create a distinct design or combined with other building material, such as wood or stone. Our Classic Brushed prints demonstrate you can have it all, design flexibility and performance only steel can offer.

Features and Benefits:

- Dura Tech™ 5000 paint system.
- Offering up to 30 year limited warranty for certain applications.
- Available as a special order with a six week lead time.
- Offered in a variety of panel profiles.
- For use in exterior and interior applications.
- Samples are available through our online Sample Request system.

CUSTOM DESIGN SOLUTIONS

Wherever your creative inspiration comes from, we can help you capture the vision for your design.
