

Vintage® Heritage

VINTAGE CHARM. CAPTIVATING LIGHT.

Legacy

Evolution

Vintage Heritage offers two captivating colors ideal for metal roof and wall applications. As light reflects onto the painted metal surface, the effect captures multiple natural hues. These classic Vintage colors provide a time-worn appearance with the durability and longevity of modern metal attributes.

Features and Benefits:

- Choose from a proprietary fluorocarbon coating over a ZINCALUME® or TruZinc® substrate.
- Up to 20-year limited warranty.
- Offered in 22ga and 24ga metal roof and wall panels.
- Available as a special order with minimum order requirements and an extended lead time.
- For use in exterior and interior applications.
- Corrosion and graffiti-resistant.
